

Name : Bhawna Devi

Designation : Assistant Professor Department Pharmacology

Abhilashi College of Pharmacy

Academic Qualification: M.Pharmacy

Area of Specialization: Neuroscience

Experience : one year

M.Pharmacy/Phd Research Project : “ Neuroprotective potential of plumbagin in

MPTP induced Parkinson’s disease in zebrafish.”

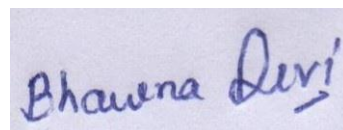

Papers Published/Conferences Attended:

1. Published an article on cognitive impairment in March 2020 title is “**A Review on neuroprotective effect of berberine against chemotherapy induced cognitive impairment**” in Journal Current drug targets (Review article).
2. **The interplay of autophagy and mitophagy in various neurological diseases as a therapeutic approach**” Molecular biology, Springer (Review article).
3. “Zebrafish : A Research paradigm for studying Human Diseases “PZOS, Springer (Review article).
1. Poster presentation in IBRO supported meeting and workshop “ **Recent Progress in Brain Research and Drug Delivery**”.
2. Poster presentation in IBRO ARPC Associate School 2021 on “**Modern Interventional tools to improve cognitive behavior in children with neurodevelopmental disorders**”.
3. Oral presentation in 4th Annual Conference of Society for Alternative to Animal experiments organized by the DPSRU, New Delhi.
4. Participated in a one-day conference organized by **IBRO** on “Modern interventional tool to improve cognitive behaviour in children with neurodevelopment disorder” on 29th October 2021.

5. Attended a conference organized by **ISF college of Pharmacy** on “Advancements in pharmaceutical Education and research: Current Insights into Molecular Biology Techniques” held on 22nd October 2021.
6. Presented a E poster in national conference organized by ISF college of pharmacy 2021.
7. Won the 1st prize in Poster presentation Competition on the occasion of world pharmacist day-2018.
8. IBRO Horizons Webinar : Neuroscience and COVID-19.
9. SNA Virtual Symposium “Recent Advances in Neuro-techniques”.
10. participated in Annual meeting of Indian Academy of neuroscience (IAN), Theme : Neuroglia in Health and disease” organized by Indian institute of science Education and research Kolkata, Netaji Subhash Open university & CSIR-Indian institute of chemical biology.
11. ISFCOON 2020-21
12. Attended a conference organized by Himalayan institute of pharmacy on “Green Chemistry: Perspective in eco-friendly drug discovery and development and manufacturing held on 12th April 2020.
13. Participated as a delegate at APSECRCON 2019 “ Artificial intelligence: The new Era in Pharmaceutical science.
14. Poster presentation in national conference organised by Abhilashi university Theme: “Drug discovery and development: Opportunities, Challenges and Future Perspectives”.
15. Attend a conference organized by by Minerva College of pharmacy, Indora Kangra (HP) Theme: “Pharmaceutical Health Science and Technology”in 2022
16. Poster presentation in international conference organised by Abhilashi university Theme: “Future of pharmacy : Artificial intelligence and emerging Health care technologies”in 2025

Additional Professional Activities:

1. Leadership
2. Teamwork
3. Accedemic stretch and challenges
